## DYNAMIC DOLPHINS CLASS

## CELEBRATIONS

### ACADEMIC CORNER

Dear Mum and Dad!

The last two months were extremely busy and fun filled months for us. Our topics were "Bugs and My Body." Each day we learnt interesting facts about many varieties of bugs and crafted them all. Some had lovely big compound eyes, antennas, wings and numerous legs! For the topic, "My Body" we learnt the names of all the different organs inside our body and learnt their functions too!

For Jolly Phonics we learnt V, Y, W and X. We also learnt and revised numbers up to 20. We also did a variety of activities to promote our social and emotional behavior like Doll washing, Writing Strips and also performed experiments to understand the phenomenon of floating and sinking. The red letter day was of course our Annual Graduation and Concert. We practiced hard for our performances and made our parents and teachers proud. We felt sad to part with our friends but understood that they all had to join "Big School" now.

Thank you Mum, Dad and my teacher for making my life so colorful!

Gareth's B'day

MOTOR SKILL DEVELOPING ACTIVITY

DOLL WASHING ACTIVITY

ROLE PLAY

## LWIN AFTERNOON CLUB

As the little ones stayed back to be a part of the LWIN club they were surprised with the number of activities lined up for them that made them clap their hands, laugh, dance and have a marvelous time.

### Aerobics and Yoga

Our little ones had a groovy time as they as they hit it off with some aerobics to keep them healthy and fit by shaking and grooving to some swanky tunes. After a long and enjoyable session of aerobics and dancing they sat down to relax by doing some yoga which was new to their curious little minds. Oh the beautiful art of yoga was truly a relaxation to the young minds.

### Art and Craft

The next fun activity planned was the art and craft extravaganza where our little ones created master pieces with their young and innovative fingers. Each was a rare work of art with its own unique design!

### Story Time

Last but not the least the little ones had a story telling session where they were told tales that left them amazed and some even shared their own wonderful stories with the club. Oh how exciting it was!

## DO'S AND DON'Ts

- Parents are requested to ensure that the children are picked up and dropped off on time.
- Do not send children with costly ornaments be it gold, silver or any other material as this could lead to physical injuries.
- Kindly send spoons, napkins and an extra set of clothes with identifiable name tags.
- With regard to food, please ensure that you send in healthy and nutritious food.
- Also send food in adequate portions.
- Children get bored with the same kind of food so do send in a variety of food.
- Nuts are not allowed as they are a choking hazard and to avoid any occurrences of nut allergy.
- Please ensure that fees are paid at the beginning of every month.
- Please ensure that consent slips are signed and returned for excursions.
